**IXYS To Participate In Sidoti 14th Annual Emerging Growth Conference**

Milpitas, CA. March 16, 2010 -- IXYS Corporation (NASDAQ:IXYS) announced today that it will participate in Sidoti & Company's 14th Annual Emerging Growth Conference which will be held on March 23-24 in New York City.

Dr. Nathan Zommer, Chairman and CEO of IXYS, will be presenting on Tuesday, March 23, 2010 at 10:40 AM, Eastern Time.

IXYS develops and markets primarily high performance power and RF semiconductors and control ICs that are used in controlling and converting electrical power efficiently in power systems for telecommunication infrastructure, motor drives, medical systems and transportation. IXYS also serves emerging markets with digital and analog ICs that control flat panel displays, medical instruments and telecommunication products.

Additional information may be obtained by visiting IXYS' website at <http://www.ixys.com>, or by contacting the company directly.
